We provide a full-range of value-added-service such as quantity and quality checking, labeling, shrink wrapping, repacking, barcode printing, downsizing and upsizing prior to consolidation and shipment to your customer's destination point.

With all these value-added-services and others too, you can be rest assured Oriental Logistics will add value to your supply chain, with the cost-saving and efficiency positively impacting the supply chain long after shipment has been made.

東方物流自設物流中心，能幫助客戶組裝來自不同供應商的貨物，並以專業的方式準時運送到遍佈全球之目的地。

我們並提供全方位的增值服務，如數量和質量檢驗、電腦條碼標籤、收縮包裝、再包裝服務、條碼標籤印刷、組裝及再包裝前的銷售點送貨服務等等。

在此完整可靠的服務及配套設施下，您可以相信東方物流能夠提升您的供應鏈市場價值，並裝運後不久即能為您帶來節省成本和提升效率之果效。

WAREHOUSING & VALUE ADDED SERVICES 倉儲及增值服務

We have several warehousing operations in Hong Kong, Shenzhen, Guangzhou, Beijing, Shanghai and Taiwan. A modern, efficient, well-maintained warehouse is a must for any brand and quality conscious customer. At Oriental Logistics we take pride in warehouse management, and we aim to provide defect-free inventory management to our customers.

Our warehouses have modern facilities: air-conditioning, Epoxy floor-coating, fiber optics cabling throughout, modern fire fighting equipment and systems, racking, and garment hanging bays.

We employ and train experienced personnel to carry out the Pick and Pack operations according to specific requirements of our customers. At the same time, we utilize a host of value-added services such as: price label and security label tagging, barcode labeling and re-labeling, skillful garment re-bagging, repacking or garment hanging, and various quality control and inspection services.

我們分別在：香港、深圳、廣州、北京、上海以至台灣，均設有倉庫。對於所有重視品牌及品質的顧客，一個現代化、高效率，且設備良好的倉庫是必須的。而東方物流能為客戶提供一個正確無誤的貨物管理，令客戶稱心滿意而感到自豪。

我們的倉庫具有現代化的設施，包括空調、環氧樹脂塗層地面、光纖系統連線、現代化安全消防設備、器械設備、貨架及掛裝架等。

我們會根據客戶的要求，設計出最合適的操作流程，並配合一系列的增值服務，如：掛價錢牌及保安標籤、標貼條碼標籤及再標籤、衣服入袋、再包裝或摺裝轉掛裝，以及其他品管控制和檢驗服務，從而滿足客戶之需要。
